Lehi Council Room at City Hall**

"Dating **Violence** is one of the fastest growing and most serious violent crimes in Utah today."

Governor Jon Huntsman Jr.

"We haven't done very well in Utah with prevention. Almost all of our money is spent after the incident occurs."

Ned Searle, Director- Office on **Violence against Women and Families**

"There are some men who, in a spirit of arrogance, think they are superior to women. They do not seem to realize that they would not exist but for the mother who gave them birth. When they assert their superiority they demean her."

LDS Church President Gordon B. Hinckley

Dating Safety

- ✓ Consider double dating the first few times you go out with a new person.
- ✓ Before leaving on a date, know the exact plans for the evening and make sure a parent or friend knows these plans and what time to expect you home. Let your date know that you are expected to call or tell that person when you get in.
- ✓ If you leave a party with someone you do not know well, make sure you tell another person you are leaving and with whom. Ask a friend to call and make sure you arrived home safely.
- ✓ Assert yourself when necessary. Be firm and straightforward in your relationships.
- ✓ Trust your instincts. If a situation makes you uncomfortable, try to be calm and think of a way to remove yourself from the situation.
