

SUMMER FAMILY FUN

LEARN HOW TO MAKE FAMILY FUN TIME A TOP PRIORITY

Dave Platt

Dave Platt, known as the "Game Guy," displays a CD set called "Dave's 25 Any-time Family Games." It

started out more than two decades ago when Dave Platt developed a unique version of "Hide and Seek." Today Platt has turned that game into a full-time job. "This is the most fun thing I have ever done," he said of his gaming work. Dave and his wife Elaine have four biological children and adopted seven children from five different countries. Having family fun together is one of their priorities. The playing of "old classic games," and a few new ones, like "Pick Your Nose," "Smell the Broom Handle," "Scream" and a bunch more makes it possible for everyone, regardless of physical condition or age (94 to 1-1/2) to all play together at the same time.

All lectures will be held the FIRST FRIDAY of each month in the Lehi City Council Room. Everyone is invited and there is no charge. Mark your calendars.

I would like the audience to know we will be playing some of these games during the workshop!!! I'll demonstrate what can be done in small families or at huge family reunions.
